

Coral

In the tropical
ocean, You'll
find coral
growing.

Building their
homes,

without ever

slowing.

They live

together, And

grow so tall,

They form a

reef, That's

like a wall.

Coral

In the tropical ocean,
You'll find coral growing.
Building their homes,
Without ever slowing.

They live together,
And grow so tall.
They form a reef,
That's like a wall.
